Briarcliffe
Swim Club est. 1960

Dear Briarcliffe Swim Club Members,

The Briarcliffe Swim Club Board of Directors and Staff welcome you to our 2022 Season. This year, we are welcoming several new staff members. Josh Bryan will be stepping up as our head manager. Danny Dougherty and Keith Roddy will be taking on the roles of assistant managers. Our swim team coaching staff will consist of Anika Arose, Patrick Rankin and Ava Despeaux. Please help me in welcoming them to the pool or their new positions. The Board feels that all of these individuals will be great assets to our club.

I hope you and your family had a wonderful offseason and are ready for another summer of family fun in the sun. We are celebrating our 62nd Anniversary here at Briarcliffe Swim Club. There will be a variety of events throughout the summer. Family Day will be Sunday, July 17th. There will be plenty of additional activities this summer. Be sure to check out our calendar of events for happenings at the pool. Information about special events will also be posted on the bulletin board at the gate, on our Facebook page, and advertised in our weekly email news blast!

The staff, your elected Board of Directors and I are as always committed to the safety of you and your family first and foremost as well as the safe operations of the swim club. The Board of Directors and I are also committed to the financial soundness of the club as well as routine maintenance.

This year, we are asking for help from all of our membership to ensure that only members and their registered guests use our club. Please remember to present your membership cards when entering the pool and remember to pick up your cards when leaving. ALL guests must be registered at all times. Rising insurance cost, a major expense to the club, comes from the potential financial impact for non-members using the club. Thank you in advance for your assistance with these matters.

The Board of Directors, the staff and I hope that this summer the swim club will provide you and your family a place to come and relax, meet other members of the community, have fun and escape from the summer heat.

Please take a few minutes to familiarize yourself, your family, and guests with the pool rules. We ask that all members and their guests read and observe all pool rules and regulations when using the club's equipment and facilities.

Remember it is you, the membership that makes Briarcliffe Swim Club the outstanding club it is today.

Have a safe and enjoyable summer!
